

Thank you for your interest in marriage mentoring. To do the best match with your request, **each partner** should fill out this request for mentoring. So, if you're the organized one, send your partner the link to this page.

This form helps us pair you with a mentor couple. The answers don't need to be too long but enough to get to know you better. Once we receive both your forms we will have a mentor couple contact you to arrange a time to start the mentoring discussions.
