## Prayer Needs

Please join us in praying for  
the ministry of the week: The  
Salvation Army

And Hannah prayed and said, "My heart exults in the Lord; my horn is exalted in the Lord. My mouth derides my enemies, because I rejoice in your salvation. There is none holy like the Lord: for there is none besides you; there is no rock like our God. Talk no more so very proudly, let not arrogance come from your mouth; for the Lord is a God of knowledge, and by him actions are weighed. The bows of the mighty are broken but the feeble bind on strength.

1 Samuel 2:1-4

## Church Family News

**We are thrilled that as of July 1st all public health orders surrounding worship services have been lifted!** We are no longer limited to 50 people per service. Masks and social distancing are not required. Services will now be held at 9:00am and 11:00am, with the 9:00am service live streaming on Facebook, YouTube, and the website. You will not be required to register ahead of time. See you soon!

**While registration is no longer required for worship services, we are still requesting that you register your children for Kids Zone!** Pre-registration is incredibly helpful when organizing our volunteer teachers and ensuring that we have enough supplies prepared ahead of time. If you could kindly continue to pre-register your children as you have been doing, we would be greatly appreciative!

**We need two or more volunteers willing to help with downstairs tech during Kids Zone.** These tech people will be checking children in and out of Kids Zone, operating the sound booth and acting as photographers/videographers. We will train any Volunteers who come forward. Please consider working with our wonderful children and children's ministry volunteers!

Asher Motola has sent an update on his missionary work. It can be found in his missionary mailbox.

## The Sieberts

Hello Friends,

We are resting well in Jasper now and enjoying God's beautiful scenery. We will be completing our sabbatical on August 4th and are looking forward to reconnecting with colleagues as we plan for the new school year. Pray that God would guide us as we re-enter the ministry and with whomever God brings to the university. Please pray that God would prepare the hearts of the international students who will be coming to Canada this year.

Thanks so much for praying for this family that we have been working with. We are so relieved that they were allowed to stay in Canada. We notice that they seem to be more at peace; they are so grateful for freedom and safety. We recently received an encouraging government e-mail with regards to their two relatives who have not been able to come to Canada yet. Restrictions have been lifted and the government is now actively working on their application. Praise God for His goodness.

We also received an e-mail from a Muslim from Bangladesh. As much as he didn't agree with IFC and its beliefs, he appreciated our willingness to share our beliefs and passions without pressure. Please pray that God will use the seeds planted in this man's heart as he continues his spiritual journey in finding the one and only true God.

Grateful for you all,  
James & Ann
