## Missionary Corner

**Zambia Church**

Dear Friends

Greetings to our sister church in the name of Jesus our soon coming Savior. We are doing well as a family and the church is doing well. In the past four months we have been studying the subject of mission possible in our preaching. With God everything is possible.

We thank God for the new IT center which has been completed and are praying that the computers and the sewing machines will be stocked soon. Then in the community the youth and adults will be able to learn some skills to help them in their lives.

We thank God for the community school which is doing well. We just finished our Easter conference where I was the speaker and a number of people came to the saving knowledge of the Lord Jesus Christ. We thank God that the COVID cases have reduced and a number of restrictions have been lifted, giving us opportunity for ministry. We are renovating the church—the building is old and some parts have cracks. We have already gotten the plans. We want to do this so that we can have good place for worship and bring glory and honor to God.

Pray for my family and I for the grace to serve and provisions.

Pray for the Christ Center for Community Transformation to develop. We have some work going on and we need your prayers.

Pray that God will allow our sister churches to visit each other once more again.

Pray that the gospel will be shared in our communities.

blessings
