## Missionary Corner

Dear NPMB Family,

Not so long ago we had the pleasure of being in your midst. What a joy to see many old friends and to make new ones. Thank you again for the way you welcomed us and made us feel at home. And thank you for your continued support and vote of confidence.

So much has happened since our visit. Our attention is now focused on the events of October 7. We are now closely tied to the news broadcasts and waiting to hear the next event. My cousin's nephew is in the Israeli army ... that brings it closer to home.

The situation is dire. It's hard to know how to bring a successful conclusion to this situation. I don't want to reiterate what you already know.

We need a miracle. It reminds me of the children of Israel when they arrived at the shores of the Red Sea: behind them the army of pharaoh, in front of them the waves of the sea. The situation was hopeless...stand and be butchered, or move forward and drown. But God had a different outcome...an unpredictable, unnatural, unexpected one...a total surprise!

We need a similar miracle today. We need to see God move in an unprecedented way. Come Lord Jesus!!

We have heard of Muslims in the Middle East having dreams and visions of Christ. What if the Lord would make an appearance now? What if thousands of Muslims would have a life changing encounter with

Christ?!?!!! He can do it. Come Lord Jesus!

Let us pray together. Let us trust together and let us call out to the Lord together.

God bless you,

Asher and Suzanne
