#### Missionary Corner

We are happily settled in, back at home in Zambia. Niza Autoworks is doing well and Lucky is enjoying his team and 4 apprentices. He has had a few calls this last month from clients appreciating the business and his staff. They also asked if he was a Christian as it was reflected in the business. Pray that Lucky will continue to live out Jesus to his staff and customers to make an impact in Choma.

Niza is almost done grade 6, he is looking forward to having December off. He is slowly adjusting to the academic life in Zambia. He is looking forward to holidays with friends, bike rides and swimming. Please pray that he will continue to be a good friend to many and grow in his love for Jesus.

Dorothy has been busy with studies and starting up youth programs again. We had an incredible first time with about 30 youth, happy to be back together again and eager for programs that will keep them focused and out of trouble., as they mentioned. We have had a few other programs and there have been many other heart to hearts that we have had the privilege of being a part of.

We are blessed to live our lives in Zambia and know God wanted us back here again. Would you pray with us that God will provide the support we need. God has faithfully provided for the past 25 years, and yet SIM has just informed us that our support is low this end of year. We know God is faithful so please pray with us.

Thank you for your love, prayers and support.
