

## Missionary Corner

Greetings!

Checking of the Doku translation continues! We really need to do some community testing of the many verses that Paul and the Doku translator have prepared together, to make sure they're communicating the intended meaning to Doku people; some consultant checking of more 'solid' verses is also needed. Which means Paul probably needs to make a trip to the Solomons sometime this year. It's been a while since he has been back there, our son's accident and his recovery being one reason for that. He's made amazing headway navigating his world more independently, which makes a trip for Paul seem more possible. None of this is possible, though, without the faithful support of God and his people. Thank you for "sticking with us" these many years! =
