

Life Group Study Questions Biblical View of Sexuality

1. Read 1 Corinthians 6:12-20. As you think about this weekend's sermon, what stood out to you? What questions come to mind based on the passage? Was there anything unclear or confusing?
2. Do you think our culture has a lofty view or a low view of sexuality? What makes you come to that conclusion?
3. Pastor Andrew's first point was "What you do with your body matters". Where do you see "gnostic" ideas in our culture's view of sexuality? What is Paul's reasoning for why our bodies matter?
4. Pastor Andrew's second point was "God designed sex for a husband and wife". Why is sex reserved for the covenant of marriage? Is this to restrict us or to help us flourish? (Read Genesis 2:21-25 to see the concept of 'one flesh')
5. Pastor Andrew's third point was "Sexual immorality will destroy your body". Why do you think Paul is so adamant that we 'flee' sexual temptation? What does it mean to 'sin against your own body'?
6. Pastor Andrew's fourth point was "You are not your own". How does knowing the immense cost Jesus paid to save you help you in the battle against sexual sin?
7. To end, read 1 Corinthians 6:9-11 together. If you feel comfortable share some of the things you 'used to be' and how God has saved you from that! Praise God together for the miracle of his grace!
